

STUDENT OPPORTUNITY AVAILABLE!

The OSAC Statistics Task Group (STG) is looking for Student Affiliate Members!

- Are you a statistics graduate student?
- Are you interested in forensic science?
- Do you want to make a difference in forensic practice?

As a Student Affiliate Member of the OSAC STG you will:

- Work closely with leading forensic statisticians.
- Learn how statistics can help forensic scientists in their daily casework.
- Review proposed forensic science standards.
- Gain access to future professional service activities.

Interested in Participating?

Complete an application form:

<https://www.nist.gov/form/osac-application-form>

- In the "Summary of Expertise", explain your interests or experience in forensic statistics applications.
- Upload your CV / Resume.
- In the "Area of Expertise", choose "Statistics".
- Under "What level of the OSAC interests you as a volunteer", check "Interdisciplinary".
